

FIELD NOTES

AUTOMATED NARRATIVES & INTERVIEWS

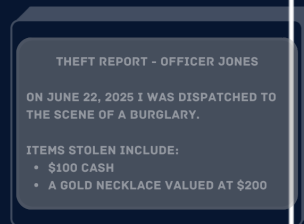

"A huge time-saver for drafting reports—dictating notes on the go is far more efficient. A quick edit, and it's done!"

- M.N. Braja, Burlington (NC) PD

AI-ASSISTED REPORTS

CREATE PROFESSIONAL REPORT NARRATIVES WITH EASE.

Your AI Assistant for fast, accurate report writing. Stay in control as you choose your preferred format and follow guided prompts using your voice or by typing. Ensures you include all critical details.

AI Witness Interviews

CAN YOU TELL ME MORE ABOUT WHO YOU SAW?

ARE THERE ANY INJURIES YOU ARE AWARE OF?

DID YOU TAKE ANY PHOTOS OF THE INCIDENT?

AI WITNESS INTERVIEWS

CAPTURE RELIABLE WITNESS STATEMENTS—WITHOUT SLOWING DOWN THE SCENE.

Witnesses call or text TRULEO's secure line directly. An AI interviewer captures, transcribes, and organizes their statement in real time—keeping officers focused and safe.

ABOUT US

TRULEO is an AI platform built exclusively for law enforcement and trusted by **over 1,000 agencies**.

"TRULEO is hands-free, convenient, and captures my fresh thoughts without typing, saving time and making my reports more detailed and accurate"

OFFICER LAWSON
Casa Grande (AZ)

"Having an AI partner like TRULEO to help summarize and analyze this cold case has been absolutely invaluable."

LIEUTENANT GUDENKAUF
Meskwaki Nation PD (IA)

"TRULEO has become more than a tool. It's part of how we lead, train, and support our officers. We are no longer relying on the 1% to tell our story—we have the 100% to tell it."
